

**ROCHESTER AREA CAREER DEVELOPMENT ASSOCIATION (RACDA)
GRADUATE AND PROFESSIONAL SCHOOL FAIR HOST SITE PROFILES**

HOUGHTON COLLEGE

(Tuesday, October 17, 11:00am-1:30pm)

On average 35% of Houghton's graduates enter graduate or professional school within 12 months of graduation and, historically, over 65% eventually attain a post-graduate degree. Over 8% of Houghton graduates earn Doctoral degrees and an additional 10% earn professional or specialist degrees. Common areas of alumni post-graduate study include programs in education, music, international relations and development, business administration, health service fields, ministry and theology, and various liberal arts fields. Houghton enrolls approximately 900 students from over 40 states and Canadian provinces and 25 countries.

(See www.houghton.edu/)

SUNY GENESEO

(Tuesday, October 17, 4:00-7:00 pm)

Twenty-five percent (25%) of Geneseo's May 2016 class were enrolled in graduate school upon graduation. Another 11% reported that they were seeking to enroll in continuing education within the next year. The most popular graduate programs among the May 2016 graduating class included education, biology, biochemistry, math, psychology, and accounting. Pre-professional programs are offered in dentistry, medicine, optometry, chiropractic, podiatry, pharmacy, nursing, P.A., P.T., and veterinary medicine. Geneseo has one of the highest percentages of graduates who continue with their education of the 64 SUNY colleges.

(See www.geneseo.edu)

ST. JOHN FISHER COLLEGE

(Wednesday, October 18, 11:00am - 1:00pm)

Fisher is composed of five schools - Education, Pharmacy, Nursing, Business, and Arts & Sciences. All students complete a solid core of liberal arts courses, including pluralism and diversity components to ensure global and multi-cultural success. Approximately 22% of the Class of 2016 enrolled in graduate school and another 12% had plans to pursue additional education. St. John Fisher College graduates students in accounting, biology, chemistry, education, management, nursing, communication/journalism, computer science, psychology, sports management, and the liberal arts. Pre-professional programs are offered in dentistry, environmental science, law, medicine, optometry, pharmacy, podiatry, pre-chiropractic, and veterinary medicine.

THE COLLEGE AT BROCKPORT

(Wednesday, October 18, 4:00-6:00 pm)

The College at Brockport is a selective, state-supported, comprehensive liberal arts college with nearly 50 majors and minors, and 50+ graduate programs. Students seek master's degrees, post-master's certificates of advanced study, or advanced graduate certificates. Brockport is a nationally accredited and recognized institution offering a variety of academic majors, teacher certification, accelerated programs and enhanced learning opportunities. Several of the graduate programs hold national accreditation from their specialized accrediting agency. Of last year's graduating class, close to 41% sought further education including graduate school after commencement. An additional 20% are pursuing both further education including graduate school and working.

(See www.brockport.edu)

ALFRED UNIVERSITY

(Thursday, October 26, 4:00-6:00 pm)

On average, over 30% of graduating seniors from Alfred University go on to graduate or professional school within one year of graduation. With 40 undergraduate majors in Liberal Arts and Sciences, Engineering, Art and Design, and Professional Studies, and home to the New York State College of Ceramics, Alfred is unique in its atmosphere and diversity. The majority of students planning to attend graduate school apply to programs in humanities, human services, medicine, law, art & design, business, sciences, liberal arts, and engineering.
