

DRESS FOR SUCCESS

#uocareercenter

Professional Clothes suitable for an interview. Think business casual but add a suit jacket or blazer. Avoid open toe shoes, strong smelling fragrances, and distracting accessories.

Business Casual Clothes suitable for presentations and work. Full suits aren't necessary. Go for nice bottoms (slacks, skirts) and tops (sweaters, blouses, & collared shirts). Avoid jeans and anything too sheer, short, or tight.

Casual Clothes suitable for everyday wear (class, with friends, etc.). Jeans and comfortable shirts are appropriate. Avoid sweatpants, "going out" attire, and anything with holes or tears.
